The diagram shows a corner joint where two surfaces meet. A rectangular label with the text '3-2' is positioned in the center of the joint. The label is light gray with a thin black border. The joint itself is formed by two surfaces, one of which is a vertical plate and the other is a horizontal plate. The vertical plate has a small black dot near its bottom edge. The horizontal plate has a small black dot near its top edge. The joint is shown in a perspective view, with the surfaces receding into the distance.

A geometric diagram on a white background. A central rectangle is outlined in light blue. From the right side of this rectangle, a series of lines radiate outwards, forming a complex, multi-pointed shape. These lines are thin and black. The overall shape resembles a stylized arrow or a compass rose. The text '5-17' is written in red inside the central rectangle.
