The diagram consists of two parallel lines, one slightly to the left of the other, extending from the bottom to the top of the frame. The rectangular area between these two lines is filled with a light blue color. In the center of this blue region is a white rectangular box with a thin gray border. Inside this box, the expression $7-14$ is written in red. On the left parallel line, there is a small black dot near the bottom. On the right parallel line, there is a small black dot near the top.
